five - STARS "hotels AND will STAY there for A whole "PERSONAL holiday". But why? Why they don't WANT LOOK AT some famous PLACES, like the tourists in 1960s AND 70s?

So, I think that people who call yourself "tourists" become LAZIER THAN TOURISTS in the PAST. They work FOR YEARS to get the MONEY to get RELAX Abroad. But they don't know how to RELAX. There are a lot of ways, but MASS MEDIA spread information just about most expensive way.

Tourists in the PAST mostly like "Active tourism". It can be some boat travel, travel to hills and forests on foots, like A BOYSCOUTS. And I really like it, because "PAST" tourists bring more great moments and memories. the today's one's.

I have some examples about my ~~own~~ thoughts. Do you know about movie, TURKISH VISITORS ~~CHANGE~~ BRILLIANT AVM? This film shows, how Soviet tourist travel Abroad, this story tell a lot of truth, how people do it.

And that one example ~~is~~ is connect with my own experience. Three years ago my family ~~and~~ fly to THAILAND, and we stay like another tourists in a hotel and stay there for a whole two weeks. Bad experiences I can say.

At the end I want to say, that we need to spread more active ~~and~~ tourism to people.
