A Small Picture.

A rich man once asked a great painter to paint a small picture for him. Next day the painter came and brought him the small picture. "It is a beautiful picture", said the rich man. "How much do you want for it?"

"One thousand dollars," answered the painter.

"One thousand dollars for such a small picture?" cried the rich man. "You painted it in one day and you want one thousand dollars for one day's work?"

"Yes, I painted it in one day, but I worked thirty years in order to learn how to paint it in one day," answered the painter.
