Write 100—140 words.
Remember the rules of letter writing.

Recently, I've started thinking about my future career and understood that I really don't know what to choose. I like computer programming and information technologies, but I'm also fond of dancing and art. Have you already decided whom you want to become? What qualities and skills are required for this job? Is the salary important for you?

Remember to ask 3 questions about a job of his dream.

Recently, we have read a text about a profession of a bodyguard. I was surprised to learn about their salary and skills, which are required for this job. I thought if I want to be a bodyguard or not...and couldn't decide. Can you imagine yourself a president's bodyguard? (=) What are the pluses of the job? What are the minuses? What training do you need for the job?

Remember to ask 3 questions about a job of his dream.

A week ago I had a week of rest which I spent doing my hobby. I like making miniature houses. It's such a painstaking work, which requires calmness and creativity. You should also be handy and have good imagination. And how do you like to spend your spare time? What qualities do you have for this activity? Are you planning to connect your hobby with your future profession?

Remember to ask 3 questions about the results of his hobby.

Recently, I've started thinking about my future career and found a variety of jobs. They can be divided into attractive and unattractive. So, what jobs are unattractive for you? Can you describe them? How do you think why people choose such jobs?

Remember to ask 3 questions about a job of his dream.

In 3 days my sister is going to apply for a job of a house designer. She is rather nervous about it. I'm trying to encourage her. How do you think how a person should behave in a job interview? What he or she should speak about? Who can encourage him or her?

Remember to ask 3 questions about a job of his dream.

Recently, I've started thinking about my future career and understood that I really don't know what to choose. There are too many professions nowadays. How do you think what top jobs there are in you city? Do you want to have one of these top jobs in future? Is it easy to have a prestigious job?

Remember to ask 3 questions about a job of his dream.
