Dear Alice,

Thank you for your letter. Sorry, I haven't answered you earlier, because I was busy with my school.

I'll try to answer your questions. I've been to Anapa and Vladivostok. Anapa is large city. There are many amusement parks, beautiful beaches and sea. Vladivostok is not very big city. There are sea, nice museums and other interesting places. I wouldn't like to visit dangerous towns, or towns with bad ecology, because it could be dangerous for my life and health.

I wonder, what ~~was~~ place in London was the most interesting. Did you travel ^{and why} ~~alone~~ or with someone?

Sorry, I should help my mom.

Write me back soon!

Take care.

Anna
