Khabarovsk, Russia

Dear Aliee,

Thanks a lot for your letter. I was really glad to receive it.  
Sorry, I couldn't answer you earlier.

In your letter you asked me about a city I've been to. So, I live in Khabarovsk, but I've also been to Moscow. It is a huge city and there is so much to see. I wouldn't like to go to Petersburg, because it is very similar to Moscow and there are <sup>many</sup> people in the streets.

I wonder, who did you go to London with? What sights did you see? What brought you the greatest impression? Sorry, my mum's calling me and I have to go. I hope, you'll write me soon.

Best wishes,

Vika
