couldn't answer earlier. Now I ~~would~~ like to answer this question.

Some people think, that childhood is the best time of our life, somebody think, that it isn't. We all are different. ~~This~~ This is very good, that all people have different opinion about it. I think, that childhood is the best time in our life, because:

1) You don't go to school (work) every day. You can say: "I can't stand ~~the~~ <sup>kindergarten</sup> ~~ba~~ by garden. I hate it, and you will stay home.

2) In childhood you don't ~~do anything~~ <sup>help</sup> your parents with cleaning your flat (house).

3) In ~~the~~ <sup>kindergarten</sup> ~~ba~~ by garden you can play games every day and sleep in <sup>the</sup> afternoon.

~~Love you~~

~~X~~ My childhood was very good. I travelled a lot (I was in Hainan, Moskow, Saint-Petersburg, Vladivostok, Korea and others). I had a lot of toys and Playstation. My ~~father~~ <sup>parents</sup> usually drove me to their works. And what about you. Do you like your childhood? What did you do in childhood? Did you visit ~~ba~~ by garden in your childhood? I wish you'll ~~xi~~ answer all my questions.

Write back soon,

Pima.
