I would like to tell you about childhood. Now I am thirteen years old, and I am official teenager. But I think, I am a child too. I like dolls and sweets, I watch cartoons, I do funny things. I do not want <sup>o</sup> become older.

When you are a child, you go to school. In school you may have many friends. you speak with many people, you get knowledge. I think, it is really cool! And in summer you have holidays (I think, it is better than school days).

When you are a child every day is unusual. Every day you will <sup>g</sup> know something new for you.

I think, childhood is the best time in our life, because you are a little human, and you may <sup>z</sup> begin to build your life!
