Dear Alice,

I am sorry that I did not write you later. I was so busy with tests. So, it is great that you visited London. What places did you see? Did you take part in a tea ceremony? I think it is very interesting. Let's I tell you a bout my town. It is not big and popular. There are no skyscrapers. But I love it. Here you can participate in different events and go to extra lessons. It is as interesting as traveling. But I want visit big cities like Moscow and Sand Petersburg. They are beautiful! There you have got much more opportunities than at home. Do you want to visit my town? I am sorry, I have to go walk with my little sister.

With love,

Your Dasha.
