Dear Alice,

Hi. It was wonderful to claim a letter from you. Can you write me about your trip to London. I would like to read about it.

You asked me about my trips to Russian cities and towns. I was in cities: Moscow, Yuzhno-Sakhalinsk, Nakhodka, Gelendzik, Rostov-on-Don, Taganrog.

I would like to be in many Russian cities, but I don't know reason of this wish.

Please write me what cities you would visit from whole world. For example I want to visit Rome, Madrid, New-York, London and Saint-Petersburg.

It's to finish my letter.

Your friend Egor,

Bye, bye.
