Many people think that childhood is the happiest time of a person's life. I agree with that. 'Cause it's time when you have no problems and you don't need to work, your parents ~~buy~~ buy you everything. For example, toys and sweets. Toy ~~it~~ is a very important part of the childhood and brightest memory. With toys you grow up and learned <sup>to</sup> talking with other people.

~~There~~ <sup>is</sup> ← Around us very big, wonderful world. Children asking many questions ~~for~~ explore many things. Also, you spend a long time with your best friends. You play together and walking.

In conclusion I want to say that everyone keeps memories of that wonderful time in their hearts.
