2. social life
3. (your own idea)

How important is it to practise a <sup>rhetorical quest.</sup> sport regularly when you are in your teens? Very important! Sport is <sup>chance for</sup> very good <sup>benefit.</sup> for teenagers to make new friends, to make a nice body. Also it makes us stronger and healthier.

~~I was doing sport.~~  
I have been <sup>cont.</sup> doing sport since 3<sup>rd</sup> form. I was 9 when my father brought me to the swimming pool. Now I still like to do sport, I'm a healthy person who is still keeping fit. Sport made ~~me~~ <sup>from</sup> me a person who I am now!

I was <sup>sense</sup> swimming in a team. Now I can definitely say that I called my friends as a "second family". It is a social side of sport life. Now I can see that people make <sup>ex</sup> friends even in the gym. Sport makes your social life more bright and interesting!

And what is sport for me? It is my space to take a pause and make myself calm again after a hard day at school. Seriously, it is a good way to relax with your body!

So, I can finally answer <sup>e</sup> for the first <sup>10</sup> question. Practising a sport regularly when you are in your teens is important, really important because of my own example I can say that sport made my teen time unforgettable, it made me know how to take aims and get them. It

gave me lots of friends and a brilliant coach and I love all these people! And of course, it helped me to make my body look nicer.
