I was really surprised when I read the e-mail. Firstly, I's confused, because I'm <sup>gr</sup> not used to use e-mail to chat with friends and I hadn't known the person, who had send this e-mail to me. The e-mail was congratulating me about winning the prize. It's difficult to describe my feeling at that moment, but I was just delighted.

This prize is about the olympiad of the University of my dreams. I have been studying really hard and taking part in the every olympiad to pass the exam to this University. So, the main prize in the olympiad, I've won was studying at this University for free and without exams. I couldn't believe my eyes.

Now, while I'm excited about packing my things, I would like to advise readers to keep one simple ~~thought~~ rule in the mind: "If you work hard, your dreams comes true!"
