I was really surprised when I read this email. A young girl Georgia who said she's now at the 5th grade asked me how can she deal with bullying in her class. I'm painfully sad about the amount of kids who are being bullied for no reason. I want to say that none of you deserve it. The best advice I ~~can~~^{can} give is: Don't listen to the bullies, their goal is making you sad or angry, if they won't see your emotional reaction they will stop. Don't be scared to tell ~~to~~ the teacher or your parents. Be confident and don't forget you're the best!
