I was really surprised when I read the e-mail. There was written a message "Jenny Hopkins, we are ^{gr} happy to tell you, that you have won an art competition!" At first I couldn't believe my eyes. Did I really ^{punct. gr} win it? Really? I was preparing this project for a half of year. ^{gr} It was about an issue of global warming. ~~It~~ Before I sent this project, I have thought that I wouldn't win. Because there were so many talented guys with their excellent works! Many of these works were done so well, so I thought that my work is too weak. I was so stressed and annoyed these days. My mother ^{sp.} tried ^{gr} to support me, she said that I will win. And ~~she~~ ^{gr} was right! I spent so much time, doing this project - but it was worth it. I can't explain how happy I was. I have an advice for all of you: Take place ^{inlex} in competitions! Try yourself, if you'll ~~win~~ ^{gr} win, you'll have unforgettable emotions.
