Today <sup>all of the</sup> every single students have a holidays. However, There has always been a question: ~~what~~ <sup>which</sup> will be better for students long terms or long holidays? I consider that students should have long summer holidays. Here is an opposite opinion, but I firmly disagree with this.

Firstly, holidays are is a good opportunity for students to get some rest from school and its difficulties such as ~~immense~~ <sup>immense</sup> studying pressure. ~~Every single student~~ <sup>SP</sup> should get enough rest, after studying <sup>big</sup> all year long, because there is no person <sup>in the</sup> whole world who can work or study without resting enough, ~~this too~~ <sup>by the way</sup> ~~rest also~~ <sup>rest also</sup> relates to one's mental and physical health. Secondly, ~~both~~ <sup>both</sup> summer holidays are not only about sitting around, they are ~~mainly~~ <sup>also</sup> about leisure activities, such as hobbies, interacting with friends, and self-development. Leisure activities are ~~crucial~~ <sup>crucial</sup> part of students ~~lives~~ <sup>lives</sup> because ~~students~~ <sup>it</sup> helps people to understand <sup>or</sup> ~~themselves~~ <sup>themselves</sup> better. ~~As an example~~ <sup>As an example</sup> it can be helpful, when student has doubts about ~~his or her~~ <sup>his or her</sup> future job, they can choose it due to their hobbies and interests. Not to mention that students may do some studies as leisure activity. 185 <sup>SP</sup>

On the other hand, some people think that terms should be longer, because that way <sup>SP</sup> students can learn much more and achieve more of their goals. I firmly disagree with such an opinion, because it is not a secret that studying all of the time is not that great. ~~School~~ <sup>School</sup> is a good place for getting knowledge, nevertheless there are also some subjects at school program that ~~some~~ <sup>some</sup> students may not need in their future life, so it will be useless for them to ~~spend~~ <sup>waste</sup> time on them, while they could study what they personally want and need at the summer holidays.

To sum up all above, ~~if students should not get have longer term~~ <sup>would</sup> it would be ~~better~~ <sup>better</sup> for students to have a long summer holiday, that having long terms, because summer holidays relates to being rest, physical and mental health and their choice of their future life.
