Writing

I was really surprised when I read the email.

It was the typical day, I was staying at home and watching videos on You-Tube. But at the moment, I had a message on my phone. My father sent me a photo of cute kitty. He said that he and my mum want to buy him and bring him to home.

I was so exciting! I can't even ~~describe~~ my feelings at this moment! I was so happy, that we'll have a pet in our house.

You can say: "Hey, I think it's not such a surprised situation, you know." Or something like: "If I were you, I wouldn't be surprised at all", but for me it was fantastic moment. And I'll give you advice - find something cool in daily things, you'll be happier.
